Pic des Mémises – Superb views of Lac Lemman

Medium + (12m of solid ladder)

Saturday/Samedi 3 Nov 2018

Soon into this hike, we will have a nice view of Bernex as we cross a meadow before continuing in the forest. Some beautiful glimpses of Mount Caesar, on the left. The forest becomes enchanting, decorated in places with erratic rocks and boulders covered with a superb emerald green moss. As the path becomes steeper, we start to see La Dent d'Oche. After climbing a steepish ladder, we continue to the summit of the Pic des Mémises, at 1674m. Although of a modest altitude, the mountain of Mémises offers a sublime panoramic view of: Lake Geneva, the Jura massif, Mount Billiat, Mount Ouzon, le Roc d'Enfer, la Dent d'Oche (spectacular viewpoint), the Cornettes de Bise, the Franco-Swiss Alps, etc. Can you ask for more?

Description: Bientôt dans cette belle randonnée, nous aurons une belle vue de Bernex et dès que nous traversons un pré, nous vont continuer dans la forêt. Quelques beaux aperçus du Mont César, sur la gauche. La forêt devient enchanteresse, décorée dans des endroits avec des roches erratiques et des rochers couverts d'une superbe mousse vert émeraude. Comme le chemin devient plus raide, nous commençons à voir la dent d'Oche. Après avoir escaladé une échelle abrupte, nous continuons jusqu'au sommet du pic des Mémises, à 1674. Bien que d'une altitude modeste, la montagne de Mémises offre une vue panoramique sublime de: le lac Léman, le massif du Jura, le Mont Billiat, le Mont Ouzon, le Roc d'Enfer, la Dent d'Ouche (point de vue spectaculaire), le Cornettes de Bise, les Alpes franco-suissees, etc. Pouvez-vous en demander plus?
