LE BUET (3096M), EN BOUCLE PAR GRENAIRON

Sat-Sun 14-15 Sept 2019 – Haute Savoie – Difficile

A tough but attractive loop around the magnificent Le Buet. It is a varied hike that, after a fresh climb between forest and waterfalls, you will pray for good news up the steep cables of the rocky La Cathédral. **Updated route**** <https://tracedetrial.fr/en/trace/trace/33467>**
The route is in two days. Saturday, we have an easy afternoon hike of 1,000m (4hr) up to Refuge du Grenairon. Sunday is an epic 11-hr day: 1,000m up to the summit and 2,000m down! Your legs will feel it when we arrive at Refuge des Fonds for some well-deserved R&R.

Advice to drivers: Take toll road through Annemasse. Just after toll, take the first exit to the right, then turn left (North). Follow the signs to Samoens. This route avoids most tolls and gives a great ride through the countryside of Saint Jeoire, Mieussy and Taninges. Drive through Samoens and follow signs to Sixt village. Take right, cross river and head south 1.7km on D29. Left, park just up Rte des Fonds at bridge (GPS 46°02'28.5"N 6°46'27.6"E).
