

Traversée du Salève

Saturday 7 May 2022

medium

A classic hike to start of the season and get those legs in shape. We will start the hike at the **Douane de Croix-de-Rozon** and walk to the Le Coin parking. We then ascend through the forest and traverse the **Orjobet cave**. We continue along the **Balcon du Léman** with spectacular views across lake Geneva. We will find a picnic spot on the top of Salève and then descend via the **Pas de l'Echelle** to the **Douane de Veyrier** where we take the number 8 bus back into town. The hike is steep in places and has one short section that could feel uncomfortable for those with vertigo.
