The trail begins at the village of Troistorrents and climbs to the magnificent viewpoint at Bellevue. At the top we will have a 360-degree view and enjoy views of such icons as Mont Blanc, Grands Combin, and la Dent d'Hérens.

We will meet at the station of Route de Morgins and hike up through the village of Troistorrents. The hike begins steeply and continues through a forest before opening into fields of wildflowers with amazing views of La Dents du Midi. We will stop for lunch before taking the steep path up to Pointe de Bellevue (2041m) where we will spend some time enjoying the view. After trying to name all the peaks we can see at the top, we will descend to the resort of Morgins to catch the bus for the return home.
