

INTERNATIONAL SKI CLUB OF GENEVA (SCIG)

LAUCHERNALP MEDIUM - VALAIS SUNDAY, 2025 JUNE 22

From Wiler we take a look at the Blatten landslide. We hike up to Lauchernalp, where we have lunch. We continue up, surrounded by completely different and much more spectacular flower fields and snow-covered peaks. We return to Lauchernalp (1970) and take the cable car down. We can see the debris field from the cable car. (June 10, when I did the recon, the flowers were there, I hope they will still be.)

The tourist office for the Lötschental stresses that it is a sign of solidarity to visit. The valley is dependent on tourism.
