

SKI CLUB INTERNATIONAL DE GENEVE

Lac Bénit, Haute Savoie

Max alt. 1452m, Height gain/loss ± 464 m, Easy/Medium

Sunday 13 July 2025

We first climb steadily up a slope where, in the past, there was a chairlift. We then go through a forest, reaching a jeep track and there take a shortcut down to the lake (where swimming is NOT permitted). We will have lunch by the lake. There is a simple buvette here, serving hot drinks, crisps and chocolate bars. After lunch we will work our way back, following a jeep track and meadows. There is a small stretch of the return walk which is on a road.
