On November 2nd, as the perfect Halloween mood settles over the landscape, dare to join us on a spooky pilgrimage along Stage 32 of the ViaJacobi. Our journey will lead us through eerie woodlands and along the misty banks of the Arbogne river, passing the hauntingly beautiful pilgrimage church of Notre-Dame de Tours hidden in its lonely enclave. But this is no ordinary hike; our path descends from the ancient silhouette of Payerne's abbey into the town's old slaughterhouses for their terrifying Halloween festival, "Infecta"! Here, fear spreads like a virus in a dark and disturbing universe. Brave the intense horror walkthrough, try your hand at axe throwing, and enjoy ghoulish spectacles. Best of all, anyone who comes in costume will be rewarded with a free bowl of witch's soup to warm their bones after our chilling adventure.
