

Opening of registrations for the Escalade walking event (Saturday 6 December 2025, Geneva)

According to an old tradition the nordic skiing section of the SCIG will participate in the Escalade walking event on Saturday 6 December 2025. The walk starts in Veyrier at 7 pm and ends in Parc des Bastions (9,0 km distance).

For further information please visit the official Escalade website (<https://escalade.ch/en/races/walking/>) or contact the leader of the SCIG team (Charles.Jacquemart@sunrise.ch).

Those who wish to participate are kindly invited to sign up under <https://escalade.ch/en/registrations/>

Please select individual registrations and note the 17 November deadline. Please be aware that this year the number of participants has been limited (10 000 for the walking event). You are advised to sign up as early as possible.

The SCIG team will gather before the walk in a suitable café in Veyrier and have dinner after the event in a restaurant next to Parc des Bastions to celebrate its performance.
