Because we are leaving a bit late, we will not stop for a coffee before skiing (have your takeaway coffee with you) and we will set off skiing immediately from Les Rousses.

The route: We ski to Bois d'Amont, passing by la Petite Laponie and partly along the l'Orbe. We will take our picnic at Le Bois d'Amont (in the room without our backpacks or in the restaurant). We are doing a loop (boucle) so we will return on a different piste, with the possibility to do a small extra loop in the direction of Brassus. The total ski loop is 20-25km. **AN UPDATE on snow conditions 1 week prior to the outing will be provided to those signed up.**
